

Pamela Johnson

Pamela Johnson was born in Germany and grew up in Minneapolis, Minnesota. She moved to Oregon in 1990. After working as a self-employed tile contractor for twelve years and exploring her interest in natural building techniques, she returned to school to build on her work experience in construction and her interest in environmentally friendly development and affordable housing.

She is attending Lane Community College and will be transferring to Oregon State University next fall to complete her degree in Civil Engineering.

Thank you for choosing me for the APWA Merle Langly Memorial Scholarship.
